POWER OPTIONS

Multiple options for power. Simple maintenance. Quick and easy accessibility to the power system through a drawer-style compartment.

Chemistry	Currents	Capacity
Mobius Power 4-year	DC	26 Amp Hour
Mobius Power 1-year	DC	26 Amp Hour

Features
- Certified to UL 60601-1
- Gentle shut-down at critical low power levels.
- Automatic Transfer Switch enables full use of computer without affecting charge time.

SMART TECHNOLOGY

An intelligent control panel is located at the caregiver's fingertips providing immediate access to the cart's battery alert, battery power button, battery LED fuel gauge, a work light and a laptop reboot button for select CPUs/laptops (Please contact your local representative to find out what CPUs/laptops are compatible).

The Enovate Medical Medication Carts offer an array of safety features, including supply bins that are protected by a keyless electronic PIN code and a programmable auto lock.

Software
Pin code management and battery management system software included.

Wireless
Wireless-friendly, CPU/laptop tray was designed to optimize wireless propagation.

Security
All technology, supplies and medication are securely stored to help prevent theft and misuse through keyed and electronic locks.
