

Compact & Nimble

Efficiency now comes in
a nimble workstation.

If your facility has small patient rooms with very limited space, our ultra-compact Slimline workstation can maneuver around those tight spaces with ease. The Slimline is an economical, small solution offering your clinical staff the tools they need for mobile documentation.

SLIMLINE®
Powered & Non-powered
EHR Workstations

COMPREHENSIVE SERVICE APPROACH TO WORKFLOW EFFICIENCY

IMPLEMENTATION

Enovate's implementation team provides on-site commissioning of RHYTHM, our mobile monitoring solution. Factory integration and PC imaging create a turnkey solution.

IT & CLINICAL TRAINING

Comprehensive user training is essential to successful clinical acceptance. At Enovate, we offer on-site and web-based user training tailored to meet the needs of each department.

ACCOUNT MANAGEMENT

A dedicated Account Manager is your advocate with deep product knowledge. Insight provided with RHYTHM metrics drives performance and availability.

Let's set up an appointment to find the right solution that fits your needs.
