## Enovate Medical offers an integrated approach to manage every EHR workstation in your fleet

### VISIBILITY

**RHYTHM** MOBILE DEVICE MANAGEMENT

**Rhythm** is the cloud-based system that remotely monitors and manages mobile EHR workstation fleets with real-time visibility across multiple departments and locations.

### EFFICIENCY

**EcoFlex™** POWER MANAGEMENT

**EcoFlex** delivers longer battery run times with its efficient on-board, power management reducing the number of battery replacements.

### AVAILABILITY

**Uptime** READY REPLACEMENTS

**Uptime** Ready Replacement program ensures 100% clinical availability and frees up hospital IT staff to focus on what they do best while we maintain your fleet.
