

Stay Connected to What Matters Most

with Personalization at Your Fingertips

Enovate Medical's Envoy® intelligent mobile workstations maximize productivity for both clinical and IT staff. The Envoy offers a user experience that enhances the nursing workflow for non-stop bedside documentation and medication administration with:

SecureMed Access: Manage medication access with 2-factor authentication and private user PINs when integrated into existing Active Directory database.

OneTouch Ticketing: Reduce asset downtime from latency of reporting with an icon to submit service request directly into existing IT Service Management system.

FollowMe Ergonomics: Personalized ergonomic sit and stand positions follow each nurse to any Envoy in the fleet when integrated with your hospital's single sign-on.

MEDICAL

Experience Envoy's unique features designed to optimize clinical workflows:

Engage Your Patients with Ease

With the SightLine™ arm, your monitor lays flat when pulled forward allowing a clear line of sight for patient engagement, safe transport, and seated ergonomics.

Charge Handheld Devices Fast

The Envoy comes equipped with a fast-charging USB port to keep your handheld devices charged and accessible.

Reduce Nursing Fatigue

To reduce nursing fatigue, AutoTrax® steering system automatically engages to easily maneuver around corners and travel down hallways.

Medication Bins & Supply Drawer

Build an Envoy to meet your needs with multiple configurations – all secured by SecureMed Access

Enovate Medical offers an integrated approach to manage your entire EHR workstation fleet:

VISIBILITY

Rhythm is the cloud-based system that remotely monitors and manages mobile EHR workstation fleets with real-time visibility across multiple departments and locations.

MOBILITY

MobiusPower PLUS delivers corded and cordless flexible mobile power for changes in clinical workflows from lightweight, swappable batteries.

AVAILABILITY

Uptime Ready Replacement program ensures 100% clinical availability and frees up hospital IT staff to focus on what they do best while we maintain your fleet.

With Enovate Medical, you keep your clinical staff moving, free your IT staff from the hassle of workstation maintenance, and reduce your total cost of ownership.
